UNGENDERING FASHION

DESIGNER APPLICATION

September 8, 2022 New York Fashion Week Event

dapperQ's Queer Fashion Show at Brooklyn Museum

Submission Guidelines:

Your cooperation is necessary in order for us to give your work a full, fair and timely review. Please review and follow these guidelines carefully. Thank you.

What we look for:

dapperQ is committed to providing equal access to our fashion week platforms. We seek to showcase established and emerging designers with robust collections of full head-to-toe complex, thoughtful, artfully curated full cut and sewn designer ensembles (e.g., cannot be blank garments with surface designs). We will consider forward-thinking underwear/lingerie brands (e.g. advanced cage work or collaborations such as TomboyX and Clear Coated from our 2017 show), and accessory collaborations on a case by case basis, keeping in mind that priority will be given to collections that are fully designed from scratch. Additionally, we like to invite new designers to participate so that our shows are a mix of new and returning designers. If you've shown for us in previous years and are not selected for this year, we still love your design work but are making room for other talented members of our communities to shine!

Eight designers in total will be selected. We welcome queer and ally designers with new collections that are systemically rooted in gender-nonconformity and that dismantle traditional gender constructs. **We also welcome designs across the feminine-masculine spectrum.** Preference is given to designers who can produce a full collection of **6-10 complete looks**, rather than designers that produce single pieces (e.g., no t-shirt lines, blank garments with surface designs, and accessory only lines, etc.) or stylists that put together looks created by other brands.

Due Dates:

- Application due March 20, 2022
- Final selection and announcements made March 15, 2022
- Acceptance letter with non-refundable dapperQ production/showing fee of \$250 due by April 1, 2022 (To cover professional lighting, runway, and other production expenses)
